

FIVE-STAR INVESTMENT IN BODRUM

Sundance Residences & Boutique Hotel, which has been being built at Bodrum Kadikalesi bay by Bozath International, when you buy a flat, presents a "Five Star" investment that makes you win twice. HALIL TUNCER

Sundance Residences & Boutique Hotel, where life is supposed to start in May 2012, is composed of 9 blocks. Sundance, which is unique with its location and landscape in addition to its 4 thousand-meter long beach, gives you the chance of living the comfort of the hotel throughout all four seasons. The flat owners, if they wish, can get a second income by letting Sundance Boutique Hotel hire the flats that are not occupied apart from their holiday. Sundance Residences & Boutique Hotel, which is at a distance of 2km from Turgutreis, 55 km away from Bodrum Airport, offers its residents the comfort and coziness of a 5-star hotel services optionally. In the projects, there is an à la carte restaurant with a terrace overlooking a magnificent sunset view, also with its international cuisines options another main restaurant, an indoor swimming pool, massage rooms a gym, sauna, Turkish Hammam, steaming room, kids club, 2 outdoors swimming pools, 2 swimming pool bars and 3 tennis courts. Sundance Residences & Boutique Hotel in which it is possible to live four seasons with no difference also has a 4 thousand meter long beach. Sundance Residences & Boutique Hotel which consists of 24 different kinds of flats from 1+1 67 square meter to 4+1 220 square meter provides various group of elderly people walk around easily inside the premises thanks to not having altitude differences inside and having lifts on each floor. On Sundance Residences & Boutique Hotel, which was brought to life under the light of the experience Bozath International has for years in tourism, lodging and construction sectors, there is architectural signature of Dr. Mehmet Alper, a winner of Europe Nostra Award, who realized elite housing projects in Bodrum and also of Arketipo Design. Sundance Residences & Boutique Hotel, which is being built with using the latest construction technologies, is becoming an appealing offer with the options of being available to stay either whole year or summer or at the weekend holidays to buyers whose aim is to have an investment. Bozath International, with the experience it holds in lodging sector once again leads the way and with "Buy and Rent Investment Program" presents a saving model to the investors. You can earn twice by letting your flat you have bought in this project in Bodrum, which is Turkish tourism's apple of eye for years and called the rising star of in world tourism sector in the recent years to Sundance Boutique Hotel, if you like.
